

Northern Giants

We have the perfect buck!

Northern Giants is a premier world class hunting preserve with two locations in the beautiful setting of the northern west coast of the lower peninsula of Michigan.

All hunts are 3 day hunts that include:

- One on One guide service
- Airport pickup and delivery from Grand Rapids or Muskegon
- Meals
- Lodging
- \$150/day for non hunters
- If blood is drawn, shot is considered a kill and full price of hunt is expected.
- Hunters are welcome to hunt with a bow, muzzleloader or rifle. If you will be hunting with a bow, please let us know at the time of booking to ensure proper stand placement
- Throughout the ranch there are various types of terrain including high rolling hills, farm land, low creek bottoms, and thick bedding areas all for them big mature bucks to hang out in.
- Most of our hunts are conducted from blinds, although during the rut we may choose to spot and stalk.
